

Errea Cup Boys Football Knockout 2010

South Coast

Round 2:

Karabar HS 4 def. Crookwell HS 2

Being our first away trip for the year, the players were extremely excited at the prospect of travelling away from their beloved Lambert Park (Queanbeyan) to try and snare an away victory at Lin Cooper Fields, Crookwell. The talk on the bus whilst travelling to the venue was all positive but unfortunately the game didn't start off in the same fashion with the majority of the first 10 minutes being spent in our own end simply clearing the ball to safety. Crookwell had an amazing start to the game which put the boys from Karabar straight onto the back foot until a sensational goal from one of the Karabar boys against the run of play turned the match in an instant. From this moment onwards the game became a fast and intriguing battle which went from one end of the field to the other with the teams trading goals right up until the half time interval whereby the score read 3-2 in Karabar's favour. The second half was a much tighter tussle for possession and goal scoring opportunities. It became a real war of attrition with one more goal being scored by Karabar with approximately 15 minutes left on the clock. From here on in it was all in attack from Crookwell and safety first football for the boys from Karabar. The match ended with the scoreboard reading 4-2 Karabar and the rivalry between the two schools growing stronger. Overall, it was a pleasant and exciting game to watch. Let's hope the boys build on this and take this sort of form into the third round.

Michael Waldon (Karabar HS)
