General Match Description:	
<p>The game was played in extremely good spirit from both sides. St Marys controlled the game throughout the match, maintaining pressure on the Baulkham Hills defence. The two goals scored by Liz and Nicole came after excellent defence and passes from their mid fielders. St Marys were a strong, coherent team, who worked together to shut down the offensive plays of the oposition. Baulkham Hills star player seemed to have little impact on the St Marys defence. St Marys now move onto the final 16 play offs for the comprehensive schools.</p>
