

# **ASSA FOOTBALL CHAMPIONSHIPS 2008**

## **PORT MACQUARIE, NSW**

3 AUGUST - 8 AUGUST

PORT MACQUARIE REGIONAL STADIUM

During this week, teams from each state will be contesting the National School's championships as well as vying for selection in the Australian schoolboy and schoolgirl teams.

In the past years, players from this type of tournament have gone on to play for Australia and many are currently playing in the A-League such as Noel Spencer, Andrew Durante, Tarek Elrich ( Newcastle Jets ); Alex Brosque, Ufuk Talay, Brendan Santalab, ( Sydney United ); Alex Wilkinson, Nigel Boogaard, ( Central Coast Mariners ) to mention a few. Many of the girls in the current Matildas and Young Matildas have come through this tournament.

The tournament is a round robin with the winner being the team with the most points at the end of the week, so each game is vital and played at a very high level. So watching these games should prove to be the highlight of the football year for local players and officials along with those who just appreciate a great sporting event when it's in your neighbourhood.

This should prove to be an exciting time for all concerned so is a must to put on the calendar.
