**South Coast Regional Finals NSW Combined High Schools Football KO**

The finals of the South Coast Region NSW Combined High Schools Football Ko were held last night at PCYC North Wollongong.

The Girls final saw Warilla HS defeat Moruya HS 4-2 in a most exciting game with plenty of goal mouth action. Moruya went ahead 1-0 with Warilla scoring 3 quick goals including a brilliant strike from long range by Player of The Final winner Taren King, to head into half time 3-1. Moruya threatened the Warilla goal on several occasions but could not convert. Late goals to both teams gave the final score line of 4-2. Warilla coach Rhiannon Fotheringham was most pleased with the team effort and full of praise for way the girls have performed throughout the competition.

The boy's final also saw Warilla in action, playing off with Figtree HS. In a very tight match, it was Figtree with the early running with several raids on goal unrewarded before Warilla scored a runaway to head into half time 1-0. The second half saw both teams create many scoring opportunities with Warilla wrapping up the match 2-0 just before full time. Player of the Final was Warilla midfielder Seb Descalzo whom coach Barry Jones praised for his very high work rate in both attack and defence.
