

AUSTRALIA v USA - 10 July @ AIS

A Young Matildas starting line-up that contained eight current NSW School Girls: a testament to the strength and depth of the Football program in this state.

The Australian goal came in the 39th minute. Siemsen (CIS, Oxford Falls Grammar School), with the assist, flicked the ball across to Lowe (CIS, Pymble Ladies' College) who placed it diagonally in the bottom left hand corner.

A tough 2-1 loss after being 1-0 up and conceding the second goal in the 90th minute.

Looking forward to the rematch in two days' time.
