### **GIRLS U18**

#### **GAME REPORTS**

##### **Saturday 2 December**

Two first half goals to captain Eliza Ammendolia and a late goal from Aideen Keane were enough to see the NSW U18s girls' football team comfortably defeat ACT in their opening game of the 2017 PSG. A solid first half for the girls saw them create a number of goal scoring opportunities which could have seen the final score be significantly higher. A good foundation has been set for the rest of the tournament.

##### **Sunday 3 December**

A comprehensive win for the U18s Girls today over Pakistan. Some good passing combinations resulted in a variety of players finding the net. The team is developing well and looking forward to their upcoming games.

##### **Monday 4 December**

The U18s girls football team continued their momentum today with a 3-0 victory over China. A tough midfield encounter early led to NSW finding space out wide where we were able to create a number of goal scoring opportunities. Two goals in the first 30 minutes from Indi Asimus and Shay Evans relieved the pressure and enabled us to take control of the game. The game was put beyond any doubt in the final 5 minutes with a second goal to Indi Asimus.

##### **Tuesday 5 December**

The U 18s Girls football team continued their undefeated run against a determined Indian outfit. Whilst continuing to improve on their passing combinations and patterns of play, they were able to produce multiple goal scorers. The defensive line was impregnable once again and all are looking forward to the day off tomorrow to get out and watch some of the other NSW teams compete.
