ERREA CUP/ TROPHY- MATCHES

The season has started for our senior boys and girls squads in a very positive note. On the 7th March the boys and girls traveled to Marconi. The boys open team defeated Bossley Park high 4-2. The girls open team won their first round against Westfield Sports 1-0.

Match Reports Girls.

The girls certainly dominated the first half controlling and holding possession. Sammie Stever scored a left foot 'bomb' outside the box 15 minutes into the match. Several of the younger members were outstanding, Riarna Keane was excellent in defence, and Rachel Wynne was all over the park and was instrumental in building possession. Hannah Brewer has outstanding work rate and continually pressed to give our team several opportunities to score. The second half was disappointing as we struggled with fitness. But overall a superb start to the season.

Match Reports Boys

The boys match started with lightning pace. It was aggressive, quick and contested with passion, all the ingredients for a spectacular match. The boys adjusted very quickly to a very poor surface. Jay Richley caught the Bossley keeper napping when he drove a ball 30 metres to score in the 8th minute of the match. Bossley leveled the score 5 minutes later with a well constructed attack down the left side to split our defence leaving them with a 'one on one' to score.

Jay Richley delivered a ball from a free kick for Stephen Dawson to head home. The match changed tempo, as we seemed to hold more possession and were then creating more opportunity in attack. Dane Fearnley scored our third when he drove the ball low and hard in the net. But Bossley were not surrendering. From the kick off our defense was napping and in one pass the ball was on our 18 and their most dynamic player had the ball in the back of the net. David Field was on debut for the team and scored our final goal to put the game and contest to rest.
