The weather has been brilliant but winter is just starting to make it self apparent. The early morning starts can be quite crisp to say the least. I would like to thank all the coaches who work in the program as they do a fantastic job.

The girls finished 2<sup>nd</sup> in their pool and went on to be defeated in the semi final by Sydney West who went on to win the tournament. Gema Simon was selected in the CHS1 and Tara Andrews was selected as a shadow. These were both outstanding results and congratulations to all players concerned.

## ***BILL TURNER BOYS ON TRACK***

The Bill Turner boys played round 1 and 2 as a double header in week 3 of this term. They defeated both Lake Munmora and Belmont High School 12-0. The boys played some outstanding football holding possession and continually switching play to cut the opposition defence to threads.

## ***BILL TURNER GIRLS***

The junior girls will start their campaign to defend their title of 2 years when they take on Merewether High on the 28<sup>th</sup> May. We wish them well.

## ***ERREA CUP AND TROPHY***

The boys and girls are now about half way through the draw in a very tightly contested competition. The boys are undefeated beating Bossley Park 4-2 and Narrabeen 6-1. The boys will meet Westfield boys away on Wednesday 6<sup>th</sup> June.

The girls defeated Westfield 1-0 in round one and had a draw with Endeavour. The girls showed determination and tenacity against Hills who fielded six Matildas. Just after half time we were 1-1. The girls went down 3-1.

The girls played Westfield last week and went down 3-2. This was a disappointing result as Hunter led for the majority of the match and created several opportunities. This is a very young team with only 4 students in their senior years. We will hopefully continue to improve, learn from past experiences and gain maturity.

## ***YEAR 6 TRIALS***

In week 4 of this term there were approximately 60 Year 6 students who trialed for a position in the Football Program for 2008. It is exciting to see so many enthusiastic athletes who want to gain a position at Hunter Sports High.

## ***GAMES TO REMEMBER***

- Boys Open match Vs Westfield Sports 6<sup>th</sup> June
- Girls Open match Vs Endeavour Sports to be advised
