**News From Our Football Program**  
**(Term 2, 2008)**

Reading Football NSW TeleChoice Premier League match reports is like reading a who's who of past and present Bossley Park High School students.

Nathan Sherlock (Year 12), Iain Ramsay and Michael Cindric are all playing well in the Sydney Olympic first 11, while fellow ex-Bossley Park students James Raiti and Steven Koops are both members of the reserve grade team. An old favourite Petar Markovic continues to be a crowd favourite at Sydney United while Nathan Ralph (year 12-2007) has become an integral part of the Penrith starting elev. We also welcome new student Veljko Vujosevic (Year 11) who is in reserve grade for Blacktown.

We would like to wish all these past and present Bossley Park High School students the very best in their respective football careers.

Special congratulations to Nathan Sherlock who also represented us as a member of the Australian School Boys on their tour of the United Kingdom. Also, congratulations to Ryan Giorgiutti (Year 12) and Joshua Mesiti (Year 11) who have been selected in the Sydney South West Regional Team. Harrick Sinpraseuth (Year 12), Veljko Vujosevic (Year 11), Nathan Brown (Year 11) and Mitchell McLintock (Year 11) all made the shadows list for this team.

Our Year 9 Football Program students are currently hard at work with Coaching Instructor Leigh Wardell. They are working towards gaining their Grass Roots Coaching Certificate. We thank Leigh for her time.

Last year saw our school team tour Italy on a once again very successful tour. Our Squad trained with Marco Monti (Reserve Grade coach Inter Milan) at the Interello, Inter's Youth facilities. Our students were overwhelmed when Marco presented them with their own Inter training jersey on their last day of training. He really extended that Italian hospitality when he organised for our whole group (football squad, mathematics students, who were on a conjoined tour, parents, grandparent and teachers) to be Inter's guest at their Uefa Cup game against PSV Eindhoven.

Our students also attended the Seria A clash between AC Milan and Catania at the San Siro stadium as well as the Seria B clash between Messina and Albinoleffe at Messina's San Filippo Stadium.

Our time in Torino was spent training with Juventus and of course shopping at the Juventus Mega-Store, the Nike Mega-Store, and the Kappa factory.

Juliana Dundovic (Year 10) was invited to train with Juventus Femminile (Womens). On arrival we were pleasantly surprised to find that she would train with their first team.

Our results in games played included:  
Inter Accademia a 1-1 draw;

Juventus a 3-1 loss and  
Crotona a 4-2 win.

We would like to once again thank all those that supported and sponsored our tour. A special thanks to our Football Program sponsors PSS Sports and to Mortgage Nest who gave us a very handsome cash donation.

Our next Football (Soccer) Program Tour of Italy is scheduled for 2009. All Bossley Park High School Football Program students from Years 7 to 10 are invited to attend.

An information night will be held later this term.
