

## Sydney East Boys Squad 2008

The squad to represent Sydney East at the NSW CHS Boys Carnival in Sydney West Area has been selected. After reaching the final for the past three seasons, winning in Albury in 2006, a great weight of expectation hangs on the team's performance with a great mixture of new and experienced players.

The most notable of these players is Ali Haydar from Oatley Campus who will be appearing in his fourth carnival and is threatening the record set by Chris Camilleri (Sydney West) for the most games played at this level by one player. Ali's experience has made him the logical choice as captain of the 2008 squad. The other players include five who represented last year and who are all keen to make amends for last year's loss to Sydney South West.
