1. Notifications and Results

Results must be phoned and/or emailed, by the winning school, to either the State KO Convener or to the respective Regional Convener, or the Sports High Co-ordinator as indicated on the draw, immediately following a scheduled match. A Result Sheet (hard/soft copy) confirmation is to be forwarded within three school days. Failure to notify results may lead to the disqualification of the winning school. Your co-operation is also sought in despatching the Media/Internet Report to the Media Officer within TWO school days. Team photographs as jpg. attachments can also be forwarded & will be published on the NSW Schools Football website.

2. The 2024 Comprehensive High Schools Football Competition

The draw for the Final Series will be conducted as an “open age” State-wide Region based Comprehensive High Schools’ Competition with boys and girls divisions. Schools should refer to the designated Regional draws for Rounds 1 to 5 which take place to determine the Finals Series. Note, players enrolled in DoE approved school football programs may only participate in the designated Sports High Schools’ Competition.

3. The 2024 Sports High School Football Competition

This competition is specifically for players enrolled in DoE approved school football programs and will be played as a round robin and with a final for the 1st and 2nd positions, in completed boys and girls divisions as indicated below.

Please note, the first mentioned team is the “host” and the home team in all rounds. All other knockout home and away rules apply. Sports High School play by dates may vary to the Comprehensive High School schedule and may be played as gala days with each Sports High School hosting a round of competition or using a central venue.

The winners of the **Sports High School and Comprehensive School** competitions will represent NSW Combined High Schools in the **NSW All Schools Champions Finals** against the non-government schools’ winners: CCC - Combined Catholic Colleges & CIS - Combined Independent Schools, in September in a “round robin”.

YOUR CO-OPERATION IN FORWARDING THIS INFORMATION TO ALL STAFF AND STUDENTS WOULD BE APPRECIATED.

Your co-operation and assistance is also sought in ensuring that the Knockout Football matches at you school proceed in a proper manner with adequate supervision of spectators is also appreciated. All school Football matches in NSW are conducted under these regulations.

Appropriate supervision of students attending and representing schools should be paramount at all KO fixtures.

GOALKEEPERS AND PENALTY SHOOTOUTS
