## Welcome message from NSWCHSSA President

---

Sport continues to play a significant role in building the Australian character and that of the youth of today, not only in Football but also in all the sports that the NSWCHSSA conducts. The Association endeavours to provide a wide range of sporting activities and opportunities for all students in our public high schools. For over 130 years, competition has been provided at a variety of levels by willing and dedicated teachers to help the pupils in our schools reach their potential at their selected sport. At this stage, I must thank all those principals, coaches, managers, parents, officials and participants who have strived so hard to make our championships successful. Much of this time is done on a voluntary basis and it is greatly appreciated. 2021 continues to pose numerous challenges and restrictions, despite this, it is wonderful to see our students back on the sporting field. I would like to thank all the Executive Officers for their efforts in getting NSWCHS sport back up and running, thank you also to all parents and students as your understanding and compliance to the new normal is appreciated.

Finally, I would ask all competitors to reflect on their achievement as reaching the NSWCHS level is an outstanding milestone and is not to be underestimated, well done. It is unlikely that you have got to this point on your own, so please take a moment to thank those around you who have supported you on this journey. Congratulations on reaching this elite level of competition and best of luck.

## Welcome from the NSWCHSSA Football Convener

---

It is with great pleasure that I welcome all competitors, families, Department of Education representatives and visitors to Bathurst for the 2022 NSW Combined High Schools Football State Championship.

The students are here this week representing their School Sports Associations, Schools and families. It is an honour to gain representative status as an athlete and we look forward to the performances of those who may emulate the careers of many of the current and former Matilda's & Socceroos, Young Matilda's & Socceroos as well as the many A-League players who have participated at these championships.

From this championship the NSW Combined High Schools State teams to compete in the NSW All Schools Tournament during June will be announced for fixtures against Combined Catholic Colleges and Combined Independent Schools. This event also serves as part of the trials program for this year's Boys Inter-State Series, which will be held at Football NSW during August and the Girls participation in the School Sport Australia National Championships in September.

We look forward to some wonderful football with the challenge for all teams to step up to the quality football we saw from the 2021 champions, Hunter who uniquely, were deserved champions in both Boys and Girls competitions

I would like to thank the Western Schools Sports Association for hosting the first ever combined Boys and Girls championship. Our thanks are also extended to Football NSW who are also our great long term supporters and sponsors of our Football Program, the participating referees, Bathurst District Football Association as well as everyone from the Bathurst community who is supporting this event.

Finally, may I wish all the 2022 regional football representatives from across NSW the very best of luck and again, enjoy your "time on the park" and I look forward to the great sportsmanship, athleticism and quality football of this annual event. Have a great tournament.

Ron Pratt
